**\*\*Note regarding stamps, dies and other products used in this project: Most of the products used in the calendar project are current active products. In some cases, items will be noted as "(ret.," meaning the item was just active in the 2021 Holiday Mini (July - December) Catalog, and literally just retired. So if you purchased the item before the catalog closed on January 3, 2022, you should be able to create the month as shown. Otherwise, you can choose a substitute stamp set or die to replace. Be creative!! 😊**
