Thinking outside the box can have visually WOW impacts for the recipient. This card is a prime example of taking one type of themed stamp, and integrating another theme into it -- the result is fascinating and beautiful!! Clean & Simple is this type of card design -- Enjoy!!

Cardstock (w/measurements):

Thick Whisper White cardstock base - 8-1/2" x 5-1/2", scored @ 4-1/4"

Regular Whisper White cardstock - 3-7/8" x 5-1/8"

Real Red cardstock - 4" x 5-1/4"; 4-1/4" x 5-1/2" scrap piece to cut hearts

Instructions:

1. Fold the Thick Whisper White card base on the 4-1/4" score line, bump to the inside; gently burnish with your bone folder.
2. Using SNAIL, attach the 3-7/8" Regular Whisper White cardstock piece to the 4" x 5-1/4" Real Red cardstock mat.

4. Stamp the sentiment "I made a wish . . ." in the lower right-hand corner.
5. Using the Detailed Hearts Die, cut out the die, and "capture" all the hearts that come out of the die cut piece. Also cut some out of the dotted red foil in the *From My Heart Specialty DSP*.
6. Use a small dot of Multi-Purpose Glue and glue various-sized heart over the tops of the seed pods on the right-hand side of the dandelion, and on the ones floating away to the right. Scatter in several of the foil hearts. Work in the smaller heart sizes and a few of the larger hearts as they fit appropriately to the size of the seed pod.
7. Glue one heart near the right-hand side of the sentiment.
8. SNAIL your finished layers to the front of the card base.
9. Finish the inside of the card to your taste!

Happy Valentine's Day Everyone!!
