Dragonfly Garden

Focal Panel Card

A DDS Studios Tutorial

Having a "focal panel" to your card design is one way to draw the eye to what you want it to "focus" on.

This card places a "focal panel" to the left, attaches the dragonfly directly to that panel, and softens the sentiment to the side to keep attention where the designer wants the eye to be.

Card Measurements:

Basic White Thick cardstock base - 5-1/2" x 8-1/2", scored @ 4-1/4"

Bumblebee cardstock - 3 "mat" pieces cut as follows: 4-1/4" x 5-3/8"; 2-1/8" x 4-3/4"; 2-1/8" x 4"

Basic White Reg. - 2" x 4-5/8"; scrap for stamped/punched dragonfly

Vellum - 2" x 4"

Dandy Garden DSP - background (Mossy Meadow w/scattered leaves design) 4" x 5-1/4"; horizontal strip (white background w/ bumblebee colored scattered dandelions) 2" x 4"

Instructions:

- Score your Basic White Thick cardbase at 4-1/4", then fold and burnish (bump to the inside of the card), on the score line with your bone folder.
- Adhere the Mossy Meadow w/scattered leaf design DSP to the Bumblebee cardstock (4-1/4" x 5-3/8"); then adhere the layered panel to the card base front.
- Adhere the White w/scattered Dandelions design DSP (cut 2" x 4") to the Bumblebee cardstock (2-1/8" x 4")
- Stamp the sentiment to the right-hand side of the Vellum piece (2" x 4") using Staz-On ink - allow to dry - then overlay the Dandelion DSP layer by putting a piece of SEAL on the back of the left-hand side where

it will be covered by the overlaid panel. Adhere the finished horizontal panel to the front of the card (see Sample for positioning)

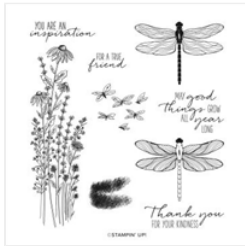

- Stamp the wildflower image from the stamp set on the vertical White 2" x 4-5/8" strip using Memento Tuxedo Black ink.
- Color images with Stampin' Blends (So Saffron, Calypso Coral, & Old Olive) combo marker sets.
- Add Clear Wink of Stella to various flowers.
- Adhere finished strip to the Bumblebee mat (2-1/8" x 4-3/4")
- Wrap lower section of layered strip with a piece of 1/4" Bumblebee Gingham Ribbon and tie a bow.
- Adhere panel to the left-side of the front of the card using dimensionals.
- Stamp a dragonfly image on scrap White cardstock; color with the same So Saffron and Calypso Coral stampin' blends; add Clear Wink of Stella to the wings.
- Adhere to the panel with a dimensional.
- Finish with Cinnamon Cider and Bumblebee In Color Enamel Dots
- Finish inside of card.
