- Using the largest scalloped rectangle in the *Stitched So Sweetly Dies*, cut one from the Granny Apple Green cardstock; and one from the Whisper White cardstock.
- On the Whisper White cardstock, stamp 3 tulip stems from the *Timeless Tulips Stamp set* using Granny Apple Green classic ink; add 3 leaves of your choosing.
- Adhere the Whisper White piece to the Granny Apple piece, offset at angles to each other, using SNAIL. Wrap the stamped/layered piece with a piece of ribbon (your choice! The ribbon in this sample is 1/4" Melon Mango Ruched Ribbon from the *Everything Is Rosy Product Medley* - currently available on our Clearance Race!).
- From the *Pleased As Punch Designer Series Paper*, punch 3 Tulips and 2 leaves using the *Tulip Builder Punch*.
- Arrange the punched tulips and leaves over the stamped stems and leaves on the Whisper White piece of cardstock, popping with dimensionals in place.

- Pop the entire finished scalloped layered piece with dimensionals on the front of the card base. Note that the Granny Apple Green appears at an "angle"; but the Whisper White aligns with the Whisper White background mat. (See Sample).
- Stamp the "Hello" sentiment on Whisper White cardstock; cut with the smallest "label die" in the *Stitched So Sweetly Dies*. Attach to the tulip spray (right-hand side uses a dimensional; left-hand side attaches to the tulip leaf base w/SNAIL). "Color" the Tulip petals with Clear Wink of Stella to create a lovely shimmer!
- Add a matching bow (attach with glue dots); and embellishments of your choice (these are the Rose gold adhesive backed mirror embellishments from the *Everything Is Rosey Product Medley*).
